

GRADE 1 NEWSLETTER

Welcome to First Grade! I am looking forward to the exciting nine months ahead of us!

Hope you are fine and enjoying the improvement of our children as much as I am doing. We have started off a new school year and I want to find the opportunity to thank you for your support and encouragement towards our children the more we encourage them the more enthusiastic they will become in learning.

Their overall participation in class has been tremendous!

UNIT 1: who we are

Central Idea: reflection on our behavior and personal choices correlate with our physical health.

In this unit we completed the following:

U.O.I

Lines of inquiry:

- Our behavior and daily habitual activities
- The primary needs for our health and happiness
- Our health and happiness correlate with our personal choices
- Body parts

MATH

- Exploring patterns
- Recognizing and writing numbers 1-10 and 0
- Explore fewer and more
- Creating a pictograph
- Explore ways to make 4-5-6-7-8-9

LA

- Vowels (depending on their prior knowledge)
- Reading: Two and three letter words.
- Writing: Two and three letter words.
- Vocabulary
- Grammar (want-don't want-can-can't-like-don't like)
- Handwriting practice
- Songs

Best wishes

Maryam Ghanem
