

Grade 4 Newsletter

We analyzed
various
based on
learner

characters in
stories
the IB
profile traits .

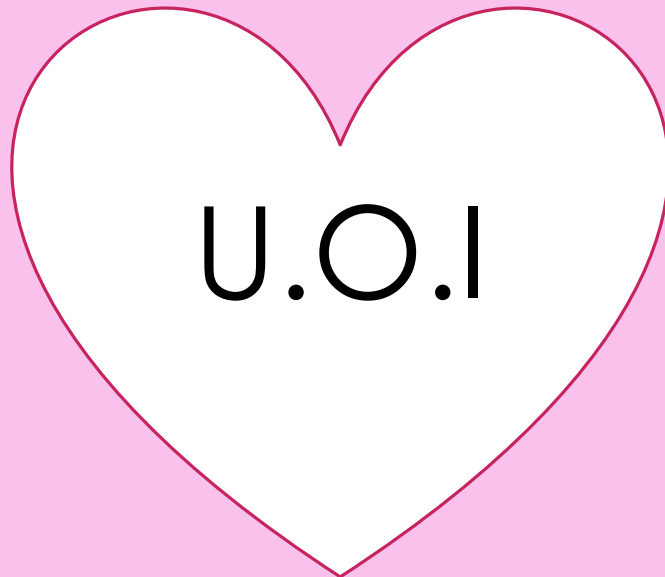

We also
about POV and the girls practiced
writing stories of their own aware of
the POV they are using!

We also
celebrated Yalda
night in class
and learned
about all the
traditions!

We learned about history timelines

and civilizations in "Where we are in place and time".

We discussed Mesopotamia, Egypt and Greece as early civilizations and learned about them in detail!

We also discussed wheels, pulleys and gears and learned about pulleys with doing an experiment in the playground!

MATH

We learned division and made up division stories in class!

We also reviewed what we have covered earlier like graphs and place value charts while playing games and having lots of fun!
