

KG DECEMBER NEWSLETTER

DEAR parents,

It has been a while that children are all settled in the classroom environment. Children are more engaged and focused in most learning areas such as writing, tracing, math activities besides mastering most practical life activities. We are so delighted to provide new activities in to class and get the children more involved.

Unit2: Who we are

Central Idea: **I am different but also similar**

In this unit we completed the following:

U.O.I

- My body and senses
- Staying healthy-hygiene(nutrition and exercising)
- My family and friends

Math

- Tracing on numbers.
- Geometry shapes.
- Addition with Beads.
- Number sequence.

LA

- Tracing on sandpaper letters along with pronouncing the phonetic sounds.
- Matching word cards with their related picture cards.

KG DECEMBER NEWSLETTER

- Practicing letter of the week at the circle time.
- Sound Games.
- Reading the list of three letter words.

We would like to thank the parents who participated in "Yalda" celebration by sending foods and treats and also encourage you to have presentations in our class according to your career, knowledge or interest.
