

Unit one

KG

Who we are

At the beginning of the school year the students got to different shapes and to practice it they traced some shapes and colored a butterfly based on the instruction about the colors of each shape.

The second session the students used different shapes to create objects and animals.

The next activity was cut and paste to improve their ability working with scissors.

Next activity was getting to know a technique called "Collage" and working on this technique.

At the end of each session the students work on their coloring skill,
