

**Unit of inquiry:**  
**Where we are in place and time**

# Ms. Saleh's Classroom Newsletter

Dear parents,  
Here is a summary of what we have been doing during the last 6 weeks.

## UOI:

### Our central idea:

Humans come from different backgrounds.

The students explored the cities that their parents come from and gave presentations to their classmates so they may learn about the different traditions, landmarks and the different food in each city.

They also learnt about 6 different countries around the world. Each time they learnt about a country they got a stamp in their passports!

## Math:

We have been working very hard in our math books on the following:

We have been focusing on symmetry, dividing things in half and quarters!

## LA:

We have finished all our letters!

We have been practicing reading different words through different activities.

We also have been working on our writing.

Here are some other fun things we did!

We enjoyed learning all these new things and we are excited to start our new unit of inquiry:

### How we organize ourselves

We will keep you updated soon!

Thanks for your attention.

Teacher Zahraa and Teacher Haniyeh

**Thank You Students!**
