

Unit of inquiry:
How we organize ourselves

Ms. Saleh's Classroom Newsletter

Dear parents,
Here is a summary of what we have been doing during the last 4 weeks.

UOI:

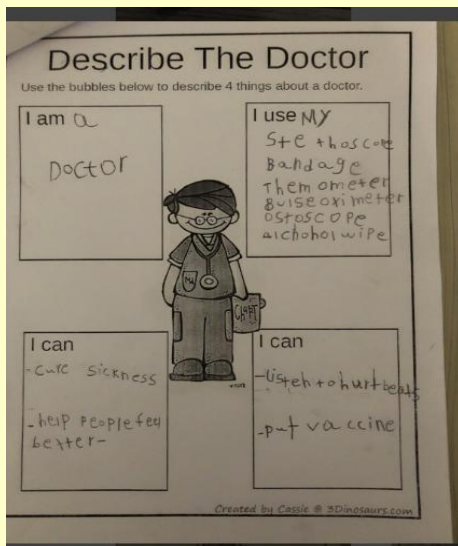

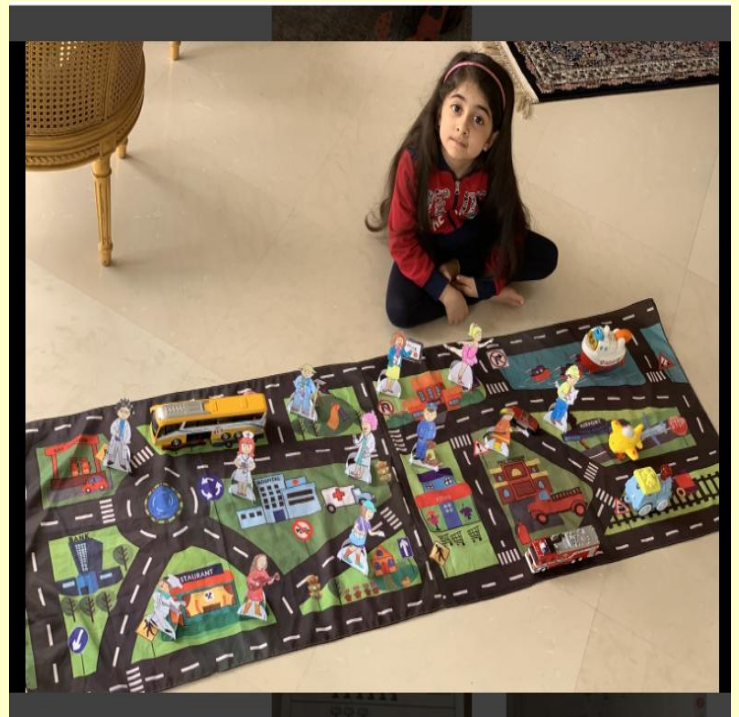

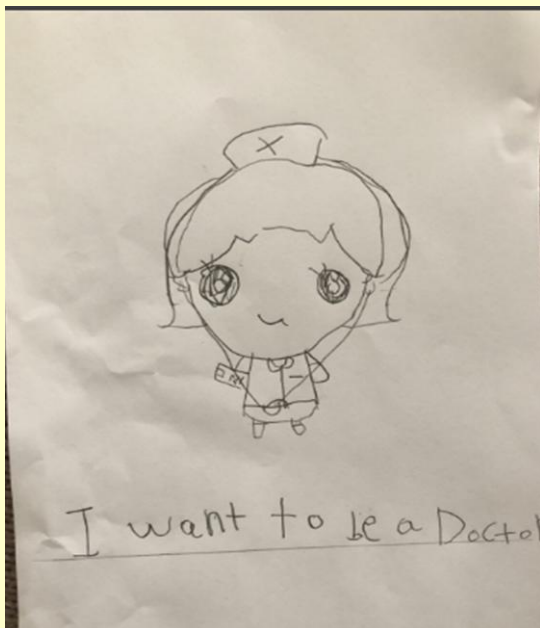

Our central idea:

People have different roles in the community.

We learnt about all the different jobs in our community!

We learnt about our parents' jobs and we discussed what we want to be when we are older.

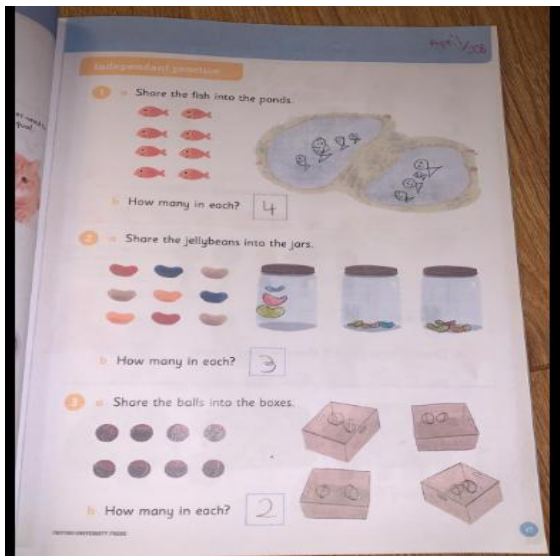

We realized that all jobs are important and are related to each other.

Math:

We have been working very hard in our math books on the following:

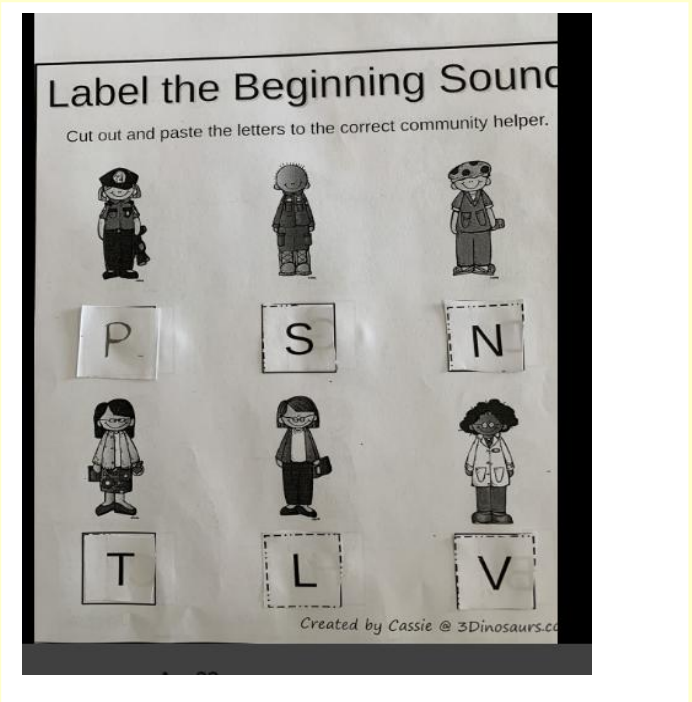

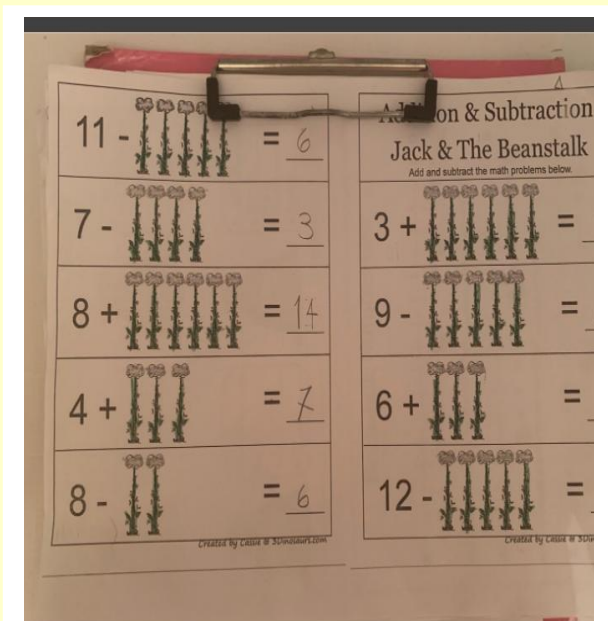

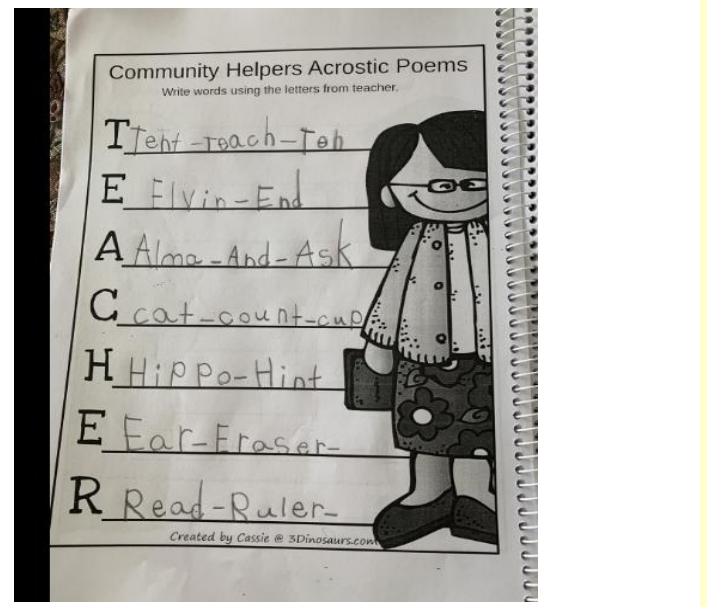

We have been focusing on more and less, grouping, sharing, length, height, area, and mass.

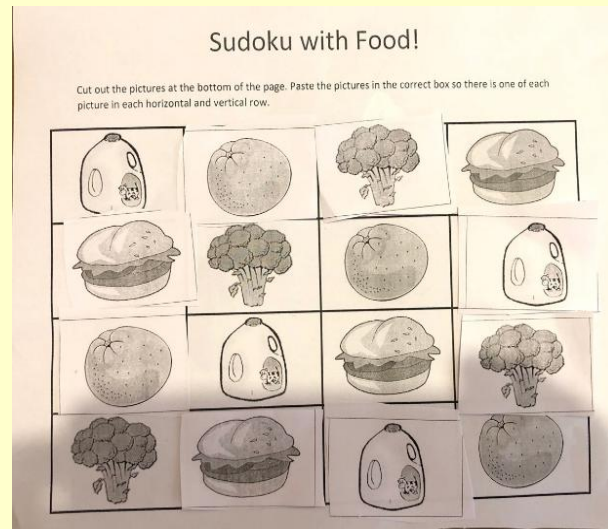

LA:

We can now read!

We can now read short sentences and we can write short sentences.

Here are some other fun things we did!

We enjoyed learning all these new things and we are excited to start our new and final unit of inquiry:

How we express ourselves

We will keep you updated soon!

Thanks for your attention.

Teacher Zahraa and Teacher Haniyeh

Thank You Students!
