

**Unit of inquiry:**  
How we express ourselves

# Ms. Saleh's Classroom Newsletter

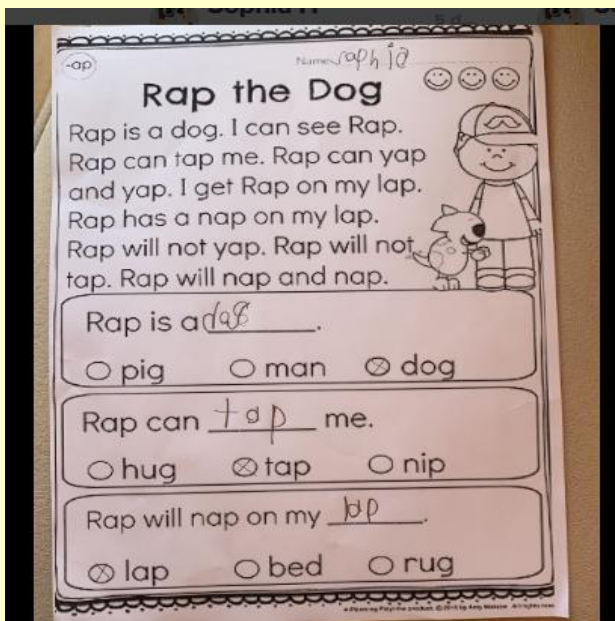

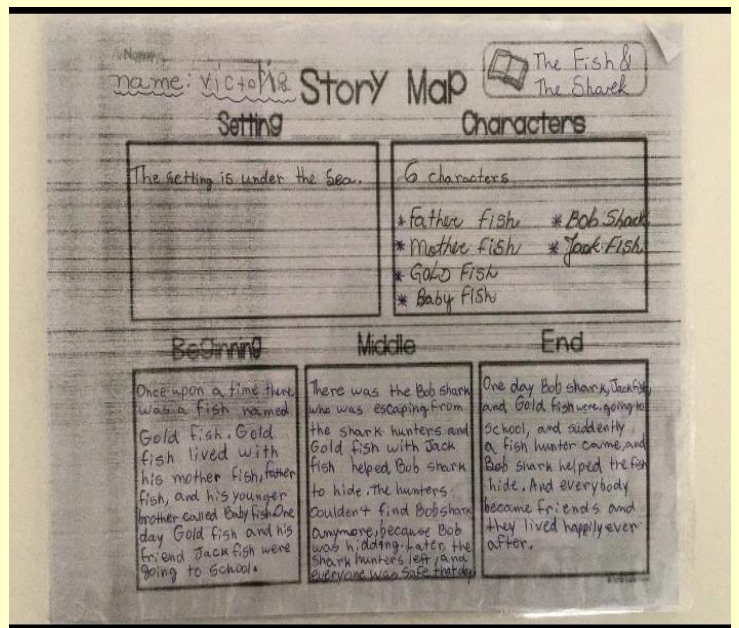

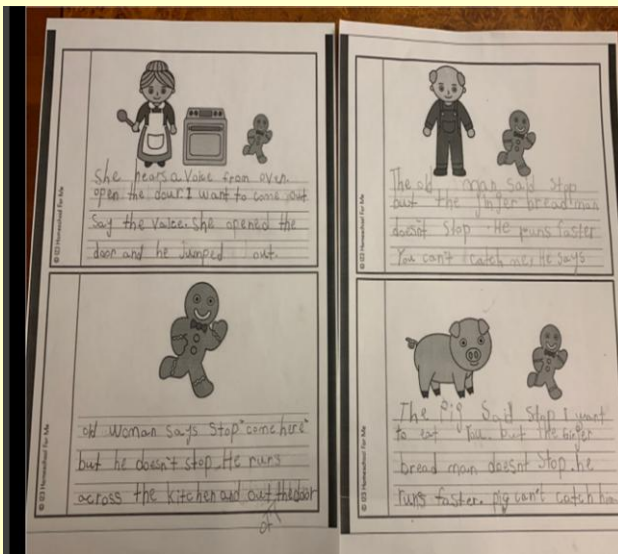

Dear parents,  
Here is a summary of what we have been doing during the last 4 weeks.

## UOI:

### Our central idea:

Humans can express their thoughts and ideas in many ways.

We explored the many ways we understand and tell stories:

## Math:

We have been working very hard in our math books on the following:

We have been focusing on telling the time, days of the week, 2D and 3D shapes, positions, directions, yes/no questions and graphing.

## LA:

We can now read!

We can now read short stories and we can write short sentences.

We have been focusing on punctuation:

Capital letters and full stops.

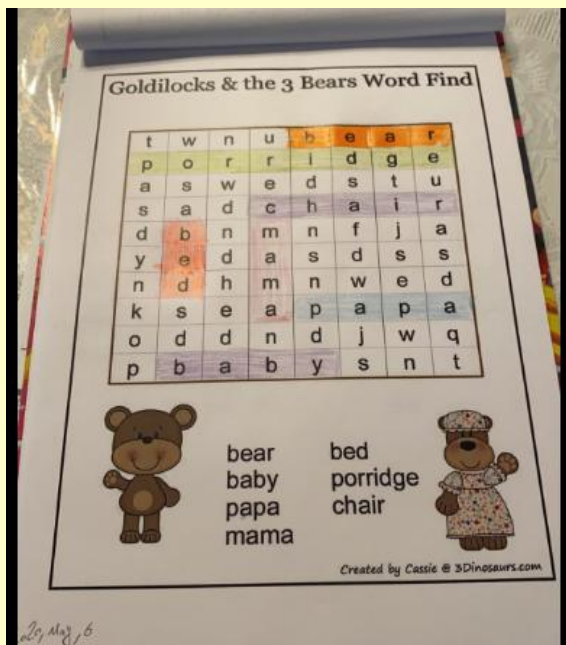

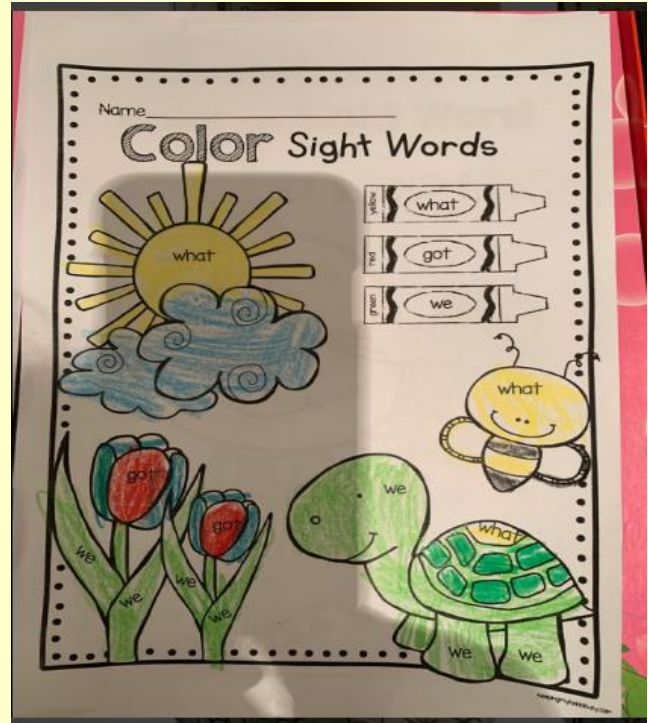

We have also been answering comprehension questions on the stories that we read.

We also wrote our own stories!

Here are some other fun things we did!

We enjoyed learning all these new things!

We hope to see you next year!

Thanks for your attention.

Teacher Zahraa and Teacher Haniyeh

**Thank You Students!**
