

Fieldtrip Report - October 15
Sistan and Balouchestan Exhibition
Grade 3 – Unit1

Our visit to Sistan and Balouchestan exhibition was an amazing experience for the students. They learned many interesting facts about the customs and traditions of the area. They also had a chance to try the food and drinks of the region. They also got to see the handcrafts from Sistan and Balouchestan and they could buy whatever they liked within their budgets.
